## USDA RURAL DEVELOPMENT TO HOLD OUTREACH IN MITCHELL COUNTY

COLORADO CITY, Texas, July 7, 2004 - Representatives of the USDA Rural Development will be in Colorado City on Tuesday, July 20, 2004, at the USDA Service Center located at the G-Kell Building, 2302-C North Hwy. 280, from 10 AM to 2 PM. They will assist persons interested in home ownership loans and home repair loans and grants. Customers will be assisted on a first come-first served basis.

There are several programs available to provide assistance to very-low, low and moderate-income applicants. Loans are available depending on repayment ability, acceptable credit and the location of the home or building site.

The direct home ownership loan is designed to provide very-low and low-income applicants with financing to build, purchase, or repair homes to provide adequate affordable housing. Funds may also be used to modernize or repair a home already owned by an applicant. For moderate-income applicants, there is the Guaranteed Rural Housing Program. Moderate income limits vary by the number of persons in a household, but for a family of four the limit is \$66,150.

Two significant advantages of the direct loan program are that no down payment is required (there are closing costs) and there is no mortgage insurance. Loans may be made for up to 100% of the appraised market value, which may allow the closing costs to be included. The loan term is typically 33 years. The interest rate is fixed and is currently 6.375%. Payment assistance is available, based on family size and income, which may reduce the monthly interest payment to as low as one percent (1%).

USDA Rural Development loans and grants are limited to rural towns or rural areas. In this part of west Texas, the only areas not eligible would be within the Abilene and San Angelo metropolitan statistical area.

Home repair loans and grants for very-low income homeowners. Grant funds are only available to homeowners 62 and over who cannot repay a loan. Grant funds are used to remove health and safety hazards such as repairing roofs, heating, electrical, plumbing, water and waste disposal, handicapped accessibility, etc. Loan amounts cannot exceed \$20,000 and grant assistance may not exceed \$7500. Loans under this program are made with a 1% interest rate and have a maximum term of 20 years.

All applicants must meet basic eligibility requirements such as being unable to obtain a loan from other conventional lending sources on terms they can afford; being without ownership of decent, safe and sanitary housing; have sufficient and dependable income for loan repayment, taxes, insurance, living expenses and other existing debts; possess the legal capacity to incur debt; and have an acceptable credit history. There are other criteria that must be met depending on the type of program an applicant is interested in.

For more information regarding USDA Rural Development programs, contact the Abilene Local Office at (325)-690-6162, Ext. 4.

USDA Rural Development is an Equal Opportunity Lender, Provider, and Employer. Complaints of discrimination should be sent to: USDA, Director, Office of Civil Rights, Washington, D.C. 20250-9410.
